Rate reductions

1. Leisure crafts that participated and completed 16 or more regattas during the 2019 calendar of the Associação Regional de Vela do Centro (Regional Sailing Association), until 15th December including, within the jurisdiction area of APL, S.A., will benefit from a 25% discount on rates stipulated in item "berth rates" for the year 2020, provided that there aren't any debts to APL, S.A.. The allocation of this discount is also subject to signing up for direct debit from the customer.

For the purpose of counting the number of regattas, the APL, S.A. regatta counts as 3.

The Associação Regional de Vela do Centro will confirm the participation and the number of regattas until 20 December of each year by sending the list to APL, S.A..

In case of leisure craft exchange the reduction will be based on the one that performed the largest number of races.

2. Leisure crafts belonging to nautical clubs with facilities at the Yachting Marinas that do not benefit from the exemption stipulated in nº 1 of article 15º of the Operating Regulations of the Yachting Marinas, benefit from a 40% reduction on rates in item "equipment rates".

3. Regarding the boats listed in the Registration Book of Marinha do Tejo and under the responsibility of Museu da Marinha, a reduction of 50%, will be applied, taking the previous table into account.

Equipment rates

1. Crane Service is charged in non-divisible periods of half an hour and per operation, at the rate of 21,37 € per half-hour period.

2. Travel-lift Service is charged in non-divisible periods of half a hour and per operation, at the following rates per half-hour periods:

- Up to 12 meters: 88,40 € - More than 12 meters: 104,00 €

Magnetic cards to access the docks

- The magnetic cards' value is 25,41 €.
- For licensed repairmen, the first magnetic card is exempt of tariff and the second and following cards will cost 25,41 € each.
- The activation of the cards acquired under the terms stated in the previous number is free of charge.
- The reactivation of the cards that have amounts in debt, is subject to a rate of 41,22 €.

Berth rates

- The rates in the previous table are due for the berthing of boats in the Yachting Marinas of APL, S.A. (Bom Sucesso, Belém, Santo Amaro and Alcântara or any other area for leisure craft).
- The boat is classified in the class where one of two fixed limits are satisfied.
- The rate to be applied is always the one that corresponds to the place, except in APL, S.A. commercial interest.
- Vessels whose dimensions exceed the limits set for class X will have the payment of the rate fixed for this class increased by 50%.
- Leisure crafts whose maritime-touristic activity includes accommodation aboard are subject to a 20% increase in their fees, which will be charged as of the start date of that activity.
- The multi-hull boats are classified according to the limits fixed for the length and will take into account only half of the beam. The rate resulting from its integration in the corresponding class will be multiplied by 50%.
- The rates include the services of water and electricity installed in pontoons.
- APL, S.A. reserves the right to measure the vessel in case of doubt about dimensions.

The Rates stipulated in this regulation are subject to VAT at the legal rate in force.
